Chamber News

Well we're all ending the year with our Art work, shows are almost completed. Some of us are finishing up our Art projects, and some of us are starting to plan for next year. Speaking about next year we could really use some more Volunteers to help out with our projects. We need help with the following programs; Saturday Art Market, Ideas for Workshops, Grant writing, Internet posting. The bottom line we would love to see more participation in our monthly board meetings and Social events. Topics from our board meetings, Changing the Mission Statement to fit what were all about. We welcome new ideas and help from everyone.

Coming Events:

November 17th 6:30 pm Social {Show & Tell}
